## **Sunnybrook Dental Awarded the Pride of Sioux City: Business Beautification Award**

Sunnybrook Dental is the latest recipient of the *Pride of Sioux City: Beautification Award* from the Sioux City Economic Development Department. This award is presented to Sioux City employers who show pride in the appearance of their business property. Mayor Bob Scott will present Sunnybrook Dental with the award and commendation at the September 10th City Council meeting.

The award, which is open to all Sioux City businesses, is presented to companies based on criteria including landscaping, originality, cleanliness, sense of community, appearance of building and signs, and overall appearance. A committee of local business professionals and city staff select a winner from a list of nominations.

“We are so excited to be receiving this award. At Sunnybrook Dental, our goal is to maximize the customer experience and that starts with their initial impression of our property,” said Dr. Mindy Stevens. “A special thanks to our partners at A-Team Irrigation and JayLan Lawn Care for all of their efforts.”
