

STARTUP SIOUX

Startup Sioux City is an informal site dedicated to sharing news and information about entrepreneurship, innovation and small business in Siouxland. When you visit this site you will find resources, events, news stories and more from local entrepreneurs, community leaders and city representatives for helping grow small and emerging businesses.

The information on Startup Sioux City is determined by those who contribute. That means there is a chance for you to participate as well! Take a look at the Startup Sioux City site or stay connected via social media.
